CIMUSET Annual Conference

Dates: 23-27 October 2023 (Hybrid)

Venue : National Aviation Museum of Korea, Seoul

DEADLINE 30 June 2023

MAIN THEME Enhancing the Accessibility to Museums.

The 50th CIMUSET annual conference in 2023 will be held at the National Aviation Museum of Korea NAMOK. ICOM announced the new museum definition at the 26th Prague General Assembly in August 2022.

The concepts of accessibility and inclusion, diversity and sustainability of museums have been added to the existing museum definition. In this context, we would like to apply it to the science and technology museums and conduct various discussions at this year annual conference.

The NAMOK opened on 5 July, 2020 as Korea's first aviation-themed national museum and in particular, it is a representative museum in Korea that promotes various accessibility projects for disadvantaged people.
