At present, the CIMUSET and the National Aviation Museum of Korea are making concerted efforts to organise a successful event in October 2023. Updates will be posted regularly on the ICOM and the CIMUSET websites. We ask you for continuous interest and support.

First of all, the Call for Papers has been announced!

We are looking forward to your active participation! Please read the Call for Papers carefully and participate. Your submission will be accepted until midnight (CET) on June 30, 2023.

Second, this year's events are especially open for CIMUSET members. The National Aviation Museum of Korea intends to provide substantial financial support to ensure that a number of global science and technology museum professionals can attend the CIMUSET Conference 2023, which will be held for the first time in Seoul, Korea, and have a profound and meaningful time together. When applying for a grant, please make sure to read the details on the travel grants for participants in both the international academic conference and the pre-training workshop! We look forward to hearing new and dynamic stories from you! Applications will be accepted by midnight (CET) on June 30, 2023. Please note that priority will be given to the final presenters, who will be selected based on the results of the Call for Papers.
