

**Monterey Bay
Aquarium**

July 14, 2025

Dear CIMUSET Election Committee,

According to the CIMUSET election procedures, we, at the Monterey Bay Aquarium, would like to give our support to Ms. Amparo Leyman Pino, M. Ed., to serve at the CIMUSET Board 2025-2028.

We are confident that her leadership skills, passion for inclusive science communication, and knowledge in informal science education will be invaluable assets in any capacity within the Board. We are pretty sure she is greatly appreciated and known by her contributions to the field.

I am happy to answer any questions you may have, please do not hesitate to contact me at nhurley@mbayaq.org or at my number +1-831-648-4874.

Sincerely,

Natalia Hurley
