LETTER OF SUPPORT

SUBJECT: Support for the nomination of Mr. Diego Vaz Bevilaqua for the position of board member in CIMUSET Board 2025-2028.

Dear CIMUSET Election Committee,

According to CIMUSET election procedures, I would like to express my support for Mr. Diego Vaz Bevilaqua who is seeking another term (2025-2028) at the board of ICOM CIMUSET.

As the secretary of the Committee I have worked alongside Mr. Vaz Bevilaqua for almost three years now and have found him to be very knowledgeable of the field and very well connected to colleagues around the world. He has shown dedication to our shared mission and has been particularly committed to the work around our conferences. But I would also like to add that Mr. Vaz Bevilaqua's personal qualities of being a kind, considerate and supportive person are features that are also important in the work of a board that includes people of many different backgrounds. Cimuset will benefit from his expertise and personality and strongly recommend him to the position of board member.

I hereby confirm the support of Riina Linna, Secretary of Cimuset (2022-25) to Mr Diego Vaz Bevilaqua in regard to his future contribution to the acclaimed work of CIMUSET.

.....

Sincerely Yours

RIINA LINNA, Community Manager, Finnish Museum of Technology
